

Additional TNVR Surgery Services and Prices

Our TNVR package includes the spay/neuter surgery, injectable pain medication, Rabies and FVRCP vaccines, subcutaneous fluids, and a small surgical tattoo and ear-tip. All cats treated through our TNVR program must be ear-tipped and tattooed.

If the cat is coming to us from Cobb County, our TNVR standard surgery package is completely free of charge.

For those outside of Cobb, our standard TNVR surgery package is \$45.

We also provide the following additional services for an additional cost:

Feline Leukemia (FeLV) Vaccine (Must complete a Combo Test to be eligible)	\$25
FELV/FIV/HW Combo Test	\$35
Parasite Package (Treats fleas, ear mites, roundworms, hookworms, and tapeworms)	\$30
Microchip	\$25
