More on the next page...

Atlanta Humane Society

Metro Atlanta

Service Area: Metro Atlanta

How It Works: Individuals must coordinate with one of AHS's official

TNVR partners. AHS provides TNVR surgeries only to cats enrolled through these partners

TNVR Days: Varies by partner

Scheduling: Must go through a partner organization

Cost: Determined by the partner group

Forsyth County - TNVR Program

Service Area: Forsyth County

TNVR Days: Varies based on targeted outreach

Scheduling: Organized through Forsyth County Animal Shelter and CARE unit

Cost: No cost to caregivers when part of the county's targeted efforts

Notes: The CARE unit identifies areas of high community cat populations for service

Douglas County Animal Services - Community Cat Program

Service Area: Douglas County

Program Type: Community Cat Program

TNVR Days: Designated by the shelter

Scheduling: Email animalshelter@co.douglas.ga.us for details and dates

Cost: Contact for updated pricing (may be free for county residents)

Notes: Citizens (caretakers) are responsible for basic care. Cats are trapped, brought in on TNVR days, and returned post-surgery.
