

Owned Cat Spay/Neuter Pre-op Reminder

- Please withhold food after midnight the night before surgery.
- Remove all collars before your cat arrives for surgery.
- Use a secure carrier (**preferably a hard plastic carrier** if possible) and make sure it is labeled with your cat's name and your last name. Only one cat per carrier.
- If your cat has not yet been given a Rabies vaccine this year, bring a copy of your Rabies certificate for verification if you did not already attach to the surgery waiver.
- Please arrive promptly for Drop off at 7:30am at the front door of Good Mews Animal Foundation. We will check in your kitty in the lobby.
- Pick up is at 2:30pm at the same location and payment will be taken at that time.
- Discharge instructions are attached to this email for review prior to surgery and will also be sent home after surgery.

Please let us know if you have any additional questions.
